Lessons for children 24 months and older are up to 15 minutes in duration and are scheduled 3 times per week. The cost is \$96.00 per week. (\$111.00 effective 4/1/23)

Please be advised that time slots are booked on a weekly basis not by the individual lesson.

If you are unable to commit to a set time each week, I will do my best to accommodate your needs, however, I cannot guarantee those time slots will be available each week. The intensity of my schedule varies especially during the summer months and does not allow for the flexibility that I have during the slower months. Please be mindful of this. Thank you!

\$40 one time registration fee per child for new students.

15% sibling discount (applies to weekly rate only)

15% Military, Police, Firefighter discount.

- **Payment is due in full on the first day of your scheduled lesson.**
- Inclement weather days such as pool closure due to lightning will be made-up or pro-rated.
- SICKNESSES are an unfortunate occurrence; however, due to the intensity of my scheduling it is not possible for me to make up missed classes. I allow every student one last minute call out in anticipation of this, otherwise a **24 hour notification is required. Failure to give adequate notification will result in regular lesson charges with no make up.** Cancelled lessons will be prorated the following week.
- Please arrive on time for your scheduled lesson and have your child dressed and ready to swim at their appointed time. **Your child's lesson may be shortened or subject to cancellation should you arrive late, regular lesson fees will apply.**

PAYMENTS: Check, cash and credit cards are all acceptable forms of payment. (Credit card payments and cash app payments are subject to a \$5.00 convenience fee.) **Payment is due on the first day of lessons each week.**
